Condensed Notes to Consolidated Financial Statements

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Lamb Weston Holdings, Inc. ("we," "us," "our," the "Company," or "Lamb Weston"), along with our joint venture partners, is a leading global producer, distributor, and marketer of value-added frozen potato products and is headquartered in Eagle, Idaho. We have four reportable segments: Global, Foodservice, Retail, and Other. See Note 13, Segments, for additional information on our reportable segments.

Basis of Presentation

The accompanying unaudited Consolidated Financial Statements present the financial results of Lamb Weston for the thirteen weeks ended August 30, 2020 and August 25, 2019, and have been prepared in accordance with generally accepted accounting principles ("GAAP") in the United States of America. These financial statements include all adjustments that we consider necessary for a fair presentation of such financial statements and consist only of normal recurring adjustments. The preparation of financial statements involves the use of estimates and accruals. The inputs into our judgements and estimates consider the economic implications of COVID-19 on our critical and significant accounting estimates. The actual results that we experience may differ materially from those estimates. Results for interim periods should not be considered indicative of results for our full fiscal year, which ends the last Sunday in May.

These financial statements and condensed notes should be read together with the consolidated financial statements and notes in our Annual Report on Form 10-K for the fiscal year ended May 31, 2020 (the "Form 10-K"), which we filed with the Securities and Exchange Commission on July 28, 2020.

New and Recently Issued Accounting Pronouncements

Recently Adopted Accounting Pronouncements

Receivables – Credit Losses

In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-13, *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*. This guidance replaces the existing incurred loss impairment model by requiring the use of forward-looking information to assess expected credit losses. We adopted this guidance on June 1, 2020 (the beginning of fiscal 2021), and it did not to have a significant impact on our financial statements or condensed notes to consolidated financial statements.

Accounting Pronouncements Not Yet Adopted

Reference Rate Reform

In March 2020, the FASB issued ASU 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting*. This update provides optional guidance for a limited period of time to ease potential accounting impacts associated with transitioning away from reference rates that are expected to be discontinued, such as interbank offered rates and the London Interbank Offered Rate ("LIBOR"). This guidance includes practical expedients for contract modifications due to reference rate reform. Generally, contract modifications related to reference rate reform may be considered an event that does not require remeasurement or reassessment of a previous accounting determination at the modification date. This guidance is effective immediately and generally can be applied through December 31, 2022. We are currently evaluating the potential impact of this standard on our financial statements.

Defined Benefit Plans

In August 2018, the FASB issued ASU 2018-14, *Compensation – Retirement Benefits – Defined Benefit Plans – General (Subtopic 715-20): Disclosure Framework – Changes to the Disclosure Requirements for Defined Benefit Plans*. This update removes disclosures that are no longer considered cost beneficial, clarifies the specific requirements of

disclosures, and adds disclosure requirements identified as relevant to defined benefit pension and other postretirement plans. This guidance is effective for our fiscal 2021. The adoption of this standard is not expected to have a significant impact on our notes to consolidated financial statements.

There were no other accounting pronouncements recently issued that had or are expected to have a material impact on our financial statements.

2. EARNINGS PER SHARE

The following table sets forth the computation of basic and diluted earnings per common share for the periods presented (dollars and shares in millions, except per share amounts):

	Thirteen Weeks Ended	
	August 30, 2020	August 25, 2019
Numerator:		
Net income	$ 89.3	$ 115.7
Denominator:		
Basic weighted average common shares outstanding	146.3	146.2
Add: Dilutive effect of employee incentive plans (a)	0.8	0.8
Diluted weighted average common shares outstanding	147.1	147.0
Earnings per share		
Basic	$ 0.61	$ 0.79
Diluted	$ 0.61	$ 0.79

(a) Potentially dilutive shares of common stock from employee incentive plans are determined by applying the treasury stock method to the assumed exercise of outstanding stock options and the assumed vesting of outstanding restricted stock units and performance awards. As of August 30, 2020, and August 25, 2019, an insignificant number of stock-based awards were excluded from the computation of diluted earnings per share because they would be antidilutive.

3. INCOME TAXES

Income tax expense was $28.0 million and $36.7 million for the thirteen weeks ended August 30, 2020 and August 25, 2019, respectively. The effective income tax rate (calculated as the ratio of income tax expense to pre-tax income, inclusive of equity method investment earnings) was 23.9% and 24.1% for the thirteen weeks ended August 30, 2020 and August 25, 2019, respectively, in our Consolidated Statements of Earnings. The effective tax rate varies from the U.S. statutory tax rate of 21% principally due to the impact of U.S. state taxes, foreign taxes, permanent differences, and discrete items.

Income Taxes Paid

Income tax refunds, net of taxes paid were $2.8 million during the thirteen weeks ended August 30, 2020. Income taxes paid, net of refunds, were $1.5 million during the thirteen weeks ended August 25, 2019.

Unrecognized Tax Benefits

There have been no material changes to the unrecognized tax benefits disclosed in Note 3, Income Taxes, of the Notes to Consolidated Financial Statements in "Part II, Item 8. Financial Statements and Supplementary Data" of the Form 10-K, and we do not expect any significant changes to unrecognized tax benefits in the next 12 months.

4. INVENTORIES

Inventories are valued at the lower of cost (determined using the first-in, first-out method) or net realizable value and include all costs directly associated with manufacturing products: materials, labor, and manufacturing overhead. The components of inventories were as follows (dollars in millions):

	August 30, 2020	May 31, 2020
Raw materials and packaging	$ 67.2	$ 106.2
Finished goods	363.2	339.2
Supplies and other	40.2	41.3
Inventories	$ 470.6	$ 486.7

5. PROPERTY, PLANT AND EQUIPMENT

The components of property, plant and equipment were as follows (dollars in millions):

	August 30, 2020	May 31, 2020
Land and land improvements	$ 107.2	$ 107.2
Buildings, machinery, and equipment	2,688.9	2,670.1
Furniture, fixtures, office equipment, and other	112.1	107.1
Construction in progress	60.0	58.3
Property, plant and equipment, at cost	2,968.2	2,942.7
Less accumulated depreciation	(1,456.7)	(1,407.7)
Property, plant and equipment, net	$ 1,511.5	$ 1,535.0

Depreciation expense was $44.9 million and $42.6 million for the thirteen weeks ended August 30, 2020 and August 25, 2019, respectively. At August 30, 2020 and May 31, 2020, purchases of property, plant and equipment included in accounts payable were $6.2 million and $9.9 million, respectively.

Interest capitalized within construction in progress for both the thirteen weeks ended August 30, 2020 and August 25, 2019, was $0.5 million.

6. INVESTMENTS IN JOINT VENTURES

We hold a 50% ownership interest in Lamb-Weston/Meijer v.o.f. (“Lamb-Weston/Meijer”), a joint venture with Meijer Frozen Foods B.V., which is headquartered in the Netherlands and manufactures and sells frozen potato products principally in Europe. We hold a 50% interest in Lamb-Weston/RDO Frozen (“Lamb Weston RDO”), a potato processing venture based in the United States. We also hold a 50% interest in Lamb Weston Alimentos Modernos S.A. (“LWAMSA”), a joint venture with Sociedad Commercial del Plata, which is headquartered in Argentina. This joint venture manufactures and sells frozen potato products principally in South America. These investments are accounted for using equity method accounting.

The carrying value of our equity method investments, which includes Lamb-Weston/Meijer, Lamb Weston RDO, and LWAMSA at August 30, 2020 and May 31, 2020, was $275.0 million and $250.2 million, respectively, and are included in “Equity method investments” on our Consolidated Balance Sheets. For the thirteen weeks ended August 30, 2020 and August 25, 2019, we had sales to our equity method investments of $3.0 million and $7.3 million, respectively, and payments to our equity method investments of $1.1 million and $3.2 million, respectively. Total dividends from our equity method investments were $2.7 million and $10.2 million for the thirteen weeks ended August 30, 2020 and August 25, 2019, respectively.

We have an agreement to share the costs of our global enterprise resource planning ("ERP") system and related software and services with Lamb-Weston/Meijer. Under the terms of the agreement, Lamb-Weston/Meijer will pay us for the majority of their portion of the ERP costs in five equal annual payments, plus interest, beginning in the period the system is deployed at Lamb-Weston/Meijer. As of August 30, 2020, Lamb-Weston/Meijer's portion of the ERP costs totaled $15.7 million. During fiscal 2021 and 2020, we received $2.0 million and $1.0 million from Lamb-Weston/Meijer, and we had $12.6 million and $12.0 million of receivables recorded on our Consolidated Balance Sheets as of August 30, 2020 and May 31, 2020. Of the $12.6 million and $12.0 million of receivables, $0.3 and $1.8 million were recorded in "Receivables, net" and $12.3 million and $10.2 million were recorded in "Other assets," respectively. We expect the total receivable from Lamb-Weston/Meijer to increase as development and implementation of the ERP system progresses.

Revolving Credit Facility

At August 30, 2020, we had no borrowings outstanding under our revolving credit facility and $495.1 million of availability under the facility, which is net of outstanding letters of credit of $4.9 million. For the thirteen weeks ended August 30, 2020, borrowings under the facility ranged from zero to $495.0 million and the weighted average interest rate for our outstanding borrowings under the facility was 1.68%.

We paid $5.7 million of interest on debt for both the thirteen weeks ended August 30, 2020 and August 25, 2019.

On September 17, 2020, we amended our credit agreement, dated as of November 9, 2016, relating to our existing revolving credit facility discussed above (“Amended Revolving Credit Facility”). The Amended Revolving Credit Facility, among other things, increases the aggregate principal amount to $750.0 million and extends the maturity date to September 17, 2023. In addition, we may add incremental term loan facilities, increase commitments and/or add new revolving commitments in an aggregate principal amount not to exceed the sum of (A) the greater of $600.0 million or 75% of our Consolidated EBITDA (as defined in the Amended Revolving Credit Facility) and (B) an amount based on our consolidated net leverage ratio. Borrowings under the Amended Revolving Credit Facility bear interest at LIBOR or the Base Rate (each as defined in the Amended Revolving Credit Facility) plus an applicable rate ranging from 1.25% to 2.25% for LIBOR-based loans and from 0.25% to 1.25% for Base Rate-based loans, depending upon our consolidated net leverage ratio. In addition to paying interest, we will pay an annual commitment fee for undrawn amounts at a rate of 0.20% to 0.40%, depending on our consolidated net leverage ratio. The Amended Revolving Credit Facility requires us to maintain a consolidated net leverage ratio no greater than 5.25 to 1.00, decreasing ratably to 4.50 to 1.00 on February 26, 2022 through maturity; and an interest coverage ratio no less than 2.75 to 1.00.

In connection with the Amended Revolving Credit Facility, we repaid the outstanding $271.9 million term loan facility due in November 2021 with cash on hand. As of our fiscal month ended September 27, 2020, no borrowings were outstanding under the Amended Revolving Credit Facility.

Term A-1 and A-2 Loan Facilities

On September 23, 2020, in connection with the Amended Revolving Credit Facility, we amended the credit agreement, dated as of June 28, 2019, relating to our Term A-1 and A-2 Loan Facilities ("Term Loan Facilities"), to, among other things, modify the Term Loan Facilities to make conforming changes to the affirmative and negative covenants under the Term Loan Facilities. The financial covenants under the Term Loan Facilities remain unchanged, requiring a consolidated net leverage ratio no greater than 4.50 to 1.00 and an interest coverage ratio no less than 2.75 to 1.00.

10. STOCK-BASED COMPENSATION

The Compensation Committee ("the Committee") of our Board of Directors administers our stock compensation plan. The Committee, in its discretion, authorizes grants of restricted stock units ("RSUs"), performance awards payable upon the attainment of specified performance goals ("Performance Shares"), dividend equivalents, and other stock-based awards. During the thirteen weeks ended August 30, 2020, we granted 0.2 million RSUs at an average grant date fair value of $59.45. As of August 30, 2020, 7.4 million shares were available for future grant under the plan.

Our stock-based compensation expense is recorded in "Selling, general and administrative expenses." Compensation expense for stock-based awards recognized in the Consolidated Statements of Earnings, net of forfeitures, was as follows (dollars in millions):

	Thirteen Weeks Ended	
	August 30, 2020	August 25, 2019
Stock-settled RSUs	$ 3.5	$ 2.8
Performance Shares	2.5	2.5
Stock options	—	0.1
Stock-settled compensation expense	6.0	5.4
Cash-settled RSUs (a)	—	1.0
Total compensation expense	6.0	6.4
Income tax benefit (b)	(1.1)	(1.2)
Total compensation expense, net of tax benefit	$ 4.9	$ 5.2

(a) All cash-settled RSUs are marked-to-market and presented within "Accrued liabilities" on our Consolidated Balance Sheets.

(b) Income tax benefit represents the marginal tax rate, excluding non-deductible compensation.

Based on estimates at August 30, 2020, total unrecognized compensation expense related to stock-based awards was as follows (dollars in millions):

	Unrecognized Compensation Expense	Remaining Weighted Average Recognition Period (in years)
Stock-settled RSUs	$ 26.1	2.3
Performance Shares	6.3	1.4
Total unrecognized stock-based expense	$ 32.4	2.1

11. FAIR VALUE MEASUREMENTS

For information about our fair value policies, methods and assumptions used in estimating the fair value of our financial assets and liabilities, see Note 1, Nature of Operations and Summary of Significant Accounting Policies and Note 12, Fair Value Measurements, of the Notes to Consolidated Financial Statements in "Part II, Item 8. Financial Statements and Supplementary Data" of the Form 10-K.

The fair values of cash and cash equivalents, receivables, accounts payable and short-term debt approximate their carrying amounts due to their short duration.

The following table presents our financial assets and liabilities measured at fair value on a recurring basis based upon the level within the fair value hierarchy in which the fair value measurements fall (dollars in millions):

	As of August 30, 2020			
	Level 1	Level 2	Level 3	Total
Assets:				
Deferred compensation assets	$ 0.1	$ —	$ —	$ 0.1
Derivative assets (a)	—	2.6	—	2.6
Total assets	$ 0.1	$ 2.6	$ —	$ 2.7
Liabilities:				
Deferred compensation liabilities (b)	—	21.1	—	21.1
Total liabilities	$ —	$ 21.1	$ —	$ 21.1

	As of May 31, 2020			
	Level 1	Level 2	Level 3	Total
Assets:				
Deferred compensation assets	$ 0.1	$ —	$ —	$ 0.1
Total assets	$ 0.1	$ —	$ —	$ 0.1
Liabilities:				
Derivative liabilities (a)	$ —	$ 4.7	$ —	$ 4.7
Deferred compensation liabilities (b)	—	18.0	—	18.0
Total liabilities	$ —	$ 22.7	$ —	$ 22.7

(a) Derivative assets and liabilities included in Level 2 primarily represent commodity swap and option contracts. The fair values of our Level 2 derivative assets and liabilities were determined using valuation models that use market observable inputs including interest rate curves and both forward and spot prices for commodities.

(b) The fair values of our Level 2 deferred compensation liabilities were valued using third-party valuations, which are based on the net asset values of mutual funds in our retirement plans. While the underlying assets are actively traded on an exchange, the funds are not.

Non-financial assets such as property, plant and equipment, and intangible assets are recorded at fair value only if an impairment is recognized. Cost and equity investments are measured at fair value on a non-recurring basis.

At August 30, 2020, we had $2,166.0 million of fixed-rate and $882.6 million of variable-rate debt outstanding. Based on current market rates, the fair value of our fixed-rate debt at August 30, 2020, was estimated to be $2,297.5 million. Any differences between the book value and fair value are due to the difference between the period-end market interest rate and the stated rate of our fixed-rate debt. The fair value of our variable-rate term debt approximates the carrying amount as our cost of borrowing is variable and approximates current market prices.

12. STOCKHOLDERS' EQUITY

Share Repurchase Program

In December 2018, our Board of Directors authorized a program, with no expiration date, to repurchase shares of our common stock in an amount not to exceed $250.0 million in the aggregate, on an opportunistic basis. During the thirteen weeks ended August 30, 2020, we did not repurchase any shares. As of August 30, 2020, $195.3 million remained authorized for repurchase under the program.

Dividends

During the thirteen weeks ended August 30, 2020, we paid $33.6 million of dividends to common stockholders. On September 4, 2020, we paid $33.7 million of dividends to stockholders of record as of the close of business on August 7, 2020. On September 24, 2020, our Board of Directors declared a dividend of $0.23 per share of common stock. The dividend will be paid on December 4, 2020, to stockholders of record as of the close of business on November 6, 2020.

Accumulated Other Comprehensive Income (Loss) ("AOCI")

Changes in AOCI, net of taxes, as of August 30, 2020 were as follows (dollars in millions).

	Foreign Currency Translation Gains (Losses)	Pension and Post-Retirement Benefits	Accumulated Other Comprehensive Loss
Balance as of May 31, 2020	$ (36.3)	$ (4.2)	$ (40.5)
Other comprehensive income before reclassifications, net of tax	39.4	—	39.4
Amounts reclassified out of AOCI, net of tax	—	0.1 (a)	0.1
Net current-period other comprehensive income (loss)	39.4	0.1	39.5
Balance as of August 30, 2020	$ 3.1	$ (4.1)	$ (1.0)

(a) Actuarial losses on pension and post-retirement benefits included in AOCI to be amortized over the next 12 months is a net loss of $0.3 million ($0.2 million after tax).

13. SEGMENTS

We have four operating segments, each of which is a reportable segment: Global, Foodservice, Retail, and Other. Our chief operating decision maker receives periodic management reports under this structure that generally focus on the nature and scope of our customers' businesses, which enables operating decisions, performance assessment, and resource allocation decisions at the segment level. The reportable segments are each managed by a general manager and supported by a cross functional team assigned to support the segment.

	Thirteen Weeks Ended	
(in millions)	August 30, 2020 (a)	August 25, 2019
Net sales		
Global	$ 447.5	$ 517.6
Foodservice	236.7	305.4
Retail	153.9	129.3
Other	33.4	36.7
Total net sales	871.5	989.0
Product contribution margin (b)		
Global	77.8	102.7
Foodservice	85.8	102.5
Retail	35.8	28.9
Other (c)	13.2	9.7
	212.6	243.8
Advertising and promotion expenses (b)	1.2	4.8
Gross profit	213.8	248.6
Selling, general and administrative expenses	78.1	78.6
Income from operations	135.7	170.0
Interest expense, net	30.3	28.2
Income tax expense	28.0	36.7
Equity method investment earnings	11.9	10.6
Net income	$ 89.3	$ 115.7

(a) On March 11, 2020, the World Health Organization declared the spread of COVID-19 a global pandemic. In an attempt to minimize the transmission of COVID-19, significant social and economic restrictions, including restrictions on dine-in purchases and the imposition of stay-at-home orders, were imposed in the United States and in our international markets. These restrictions had a negative impact on our sales, costs, earnings of our joint ventures, and therefore our net income. The increase in our costs, and the costs of our joint ventures, related to factory utilization and production inefficiencies, manufacturing and operational disruptions directly attributable to the pandemic, as well as incremental warehousing and transportation costs, and costs to enhance employee safety measures, including purchases of safety and health screening equipment, retaining sales employees, and expensing certain capitalized manufacturing facility expansion projects that were stopped.

(b) Product contribution margin represents net sales less cost of sales and advertising and promotion expenses. Product contribution margin includes advertising and promotion expenses because the amounts are directly associated with segment performance; it excludes general corporate expenses and interest expense because management believes these amounts are not directly associated with segment performance.

(c) The Other segment primarily includes our vegetable and dairy businesses and unrealized mark-to-market adjustments associated with commodity hedging contracts.

Lamb Weston's largest customer, McDonald's Corporation, accounted for approximately 11%and 10% of consolidated "Net sales" for the thirteen weeks ended August 30, 2020 and August 25, 2019, respectively. No customer accounted for more than 10% of our consolidated accounts receivable as of August 30, 2020 or May 31, 2020.

14. COMMITMENTS, CONTINGENCIES, GUARANTEES AND LEGAL PROCEEDINGS

We have financial commitments and obligations that arise in the ordinary course of our business. These include long-term debt, lease obligations, purchase commitments for goods and services, and legal proceedings. There have been no material changes to the guarantees and indemnifications disclosed in Note 15, Commitments, Contingencies, Guarantees, and Legal Proceedings, of the Notes to Consolidated Financial Statements in “Part II, Item 8. Financial Statements and Supplementary Data” of the Form 10-K.

We are a party to legal actions arising in the ordinary course of our business. These claims, legal proceedings and litigation principally arise from alleged casualty, product liability, employment, and other disputes. In determining loss contingencies, we consider the likelihood of loss as well as the ability to reasonably estimate the amount of such loss or liability. An estimated loss is recognized when it is considered probable that a liability has been incurred and when the amount of loss can be reasonably estimated. While any claim, proceeding or litigation has an element of uncertainty, we believe the outcome of any of these that are pending or threatened will not have a material adverse effect on our financial condition, results of operations, or cash flows.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Lamb Weston Holdings, Inc. ("we," "us," "our," "the Company," or "Lamb Weston"), along with our joint ventures, is a leading global producer, distributor, and marketer of value-added frozen potato products. We, along with our joint ventures, are the number one supplier of value-added frozen potato products in North America and a leading supplier of value-added frozen potato products internationally, with a strong and growing presence in high-growth emerging markets. We, along with our joint ventures, offer a broad product portfolio to a diverse channel and customer base in over 100 countries. Management's discussion and analysis of our results of operations and financial condition is provided as a supplement to the consolidated financial statements and related condensed notes included elsewhere herein to help provide an understanding of our financial condition, changes in financial condition and results of our operations. Our MD&A is based on financial data derived from the financial statements prepared in accordance with United States ("U.S.") generally accepted accounting principles ("GAAP") and certain other financial data (EBITDA and EBITDA including unconsolidated joint ventures) that is prepared using non-GAAP measures. Refer to "Reconciliations of Non-GAAP Financial Measures to Reported Amounts" below for the definitions of EBITDA and EBITDA including unconsolidated joint ventures, and a reconciliation of these non-GAAP financial measures to net income.

Executive Summary

On March 11, 2020 (during the fourth quarter of fiscal 2020), the World Health Organization declared that the spread of COVID-19 qualified as a global pandemic. Throughout this pandemic, our primary focus and attention has remained directed towards the health and well-being of our employees, and we have taken numerous steps to keep our employees safe, including implementing enhanced sanitation protocols and preventative screenings at all our manufacturing facilities, providing masks and requiring social distancing for employees across all our facilities, providing benefits that help support our employees and their families, and implementing remote work arrangements for functional support areas to comply with shelter-in-place orders and federal and local government recommendations. If an employee at one of our manufacturing facilities tests positive for COVID-19, we have developed plans to temporarily close the area where the employee works in order to sanitize and disinfect the facility before allowing employees to return to the facility and restart operations.

Lamb Weston's financial performance in the first quarter of fiscal 2021 reflects the effect on frozen potato demand and restaurant traffic following the significant government-imposed social and economic restrictions to control the spread of COVID-19. While demand trends have improved in each of our U.S. sales channels since the end of fiscal 2020, demand for our products remain below pre-pandemic levels. As a result, our sales and earnings in the fiscal first quarter declined as compared to the first quarter of fiscal 2020. Specifically:

- Net sales declined 12% to $871.5 million
- Income from operations declined 20% to $135.7 million
- Net income declined 23% to $89.3 million
- Diluted earnings per share declined 23% to $0.61
- EBITDA including unconsolidated joint ventures declined 13%, to $201.8 million
- Income from operations and EBITDA including unconsolidated joint ventures included approximately $20 million and $21 million of net costs, respectively, related to the pandemic's impact on our operations, as described below

In the first quarter of fiscal 2021, our net cash provided by operating activities was $250.6 million, up 5% as compared to the first quarter of fiscal 2020. We also paid $33.6 million of cash dividends to shareholders.

As compared to the first quarter of fiscal 2020, price/mix increased, largely due to higher prices and improved mix in our Foodservice and Retail segments, while our volume declined as demand for frozen potato products outside the home fell following government-imposed restrictions on restaurants and other foodservice operations to slow the spread of COVID-19. Income from operations declined due to lower sales as well as approximately $20 million of costs, net of employee retention credits provided by the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") and other labor incentives, related to the pandemic's impact on operations, which included:

- Approximately $6 million of factory utilization-related production costs and inefficiencies, such as labor retention costs; costs to shut down, sanitize, and restart manufacturing facilities after a production employee was infected by the virus; costs arising from modifying production schedules and reducing run-times; and additional costs and inefficiencies related to manufacturing retail products on lines primarily designed for foodservice products;

- Approximately $10 million of non-utilization-related costs, of which approximately $3 million relates to expensing the remaining crop year 2019 contracts for raw potatoes that could not be used due to the pandemic's near-term effect on demand, and approximately $7 million of expense for enhanced employee safety and sanitation protocols as well as incremental warehousing, transportation and other supply chain costs; and

- Approximately $4 million of selling, general and administrative expenses ("SG&A"), largely comprised of costs to retain certain sales employees, net of CARES Act retention credits and other labor incentives.

The amount of COVID-19 related costs sequentially decreased from fourth quarter of fiscal 2020, however, we expect that we will continue to incur some of these costs until the pandemic no longer has an impact on our manufacturing, supply chain, commercial and functional support operations.

We expect that we will continue to realize the impact of the pandemic on the U.S. and global economies, global consumer demand for frozen potato products, and on our business and financial results for the remainder of fiscal 2021. While the impact is uncertain, we continue to closely monitor the global french fry industry, including consumer reaction and demand. During the first quarter, we observed the following:

- In the U.S., overall restaurant traffic and demand for frozen potato products steadily improved early in the quarter, then largely stabilized at below pre-pandemic levels during the latter half of our first quarter. Traffic at large, quick service chain restaurants ("QSRs") approached prior-year levels by leveraging drive-thru and delivery formats. Full-service restaurant traffic recovered to 70% to 80% of prior-year levels by the end of the quarter, aided by the relaxing of government-imposed restrictions for on-premise dining, as well as increased carry-out and delivery. Demand by our non-commercial customers (i.e., lodging and hospitality, healthcare, schools and universities, sports and entertainment, and workplace environments) was significantly below prior-year levels. We continue to expect traffic and demand at full-service restaurants and non-commercial operations to be more vulnerable than at QSRs, especially as options for outdoor dining become more limited with the onset of colder weather beginning in our second quarter. In contrast, demand for retail frozen potato products significantly increased along with overall food-at-home consumption with the adoption of social distancing policies and government-imposed shelter-in-place restrictions. Retail demand growth peaked early in the quarter, and steadily moderated as the quarter progressed.

- In Europe, which is served by our Lamb-Weston/Meijer joint venture, demand for frozen potato products steadily approached prior-year levels by the end of the quarter, although demand at this time last year was tempered due to a poor potato crop. Since most consumption in Europe is dine-in or carry-out as QSR drive-thru options are more limited, we anticipate that demand may be tempered as options for outdoor dining decline with the onset of colder weather beginning in our second quarter.

- Demand improvement in our other key international markets was mixed. In China and Australia, demand for frozen potato products steadily improved and was approaching prior-year levels by the end of the quarter. In our other key markets, which are primarily in Asia and Latin America, the improvement in restaurant traffic and demand for frozen potato products has been uneven as governments employ differing approaches to contain the spread of COVID-19.

In response to the decline in consumer and customer demand related to the pandemic, we have taken actions, and will continue to evaluate various options, to lower our cost structure and maximize the efficiency of our manufacturing and commercial operations, including temporarily closing facilities and/or modifying production schedules to rebalance utilization rates across our manufacturing network.

As discussed above, the government-imposed severe social and business restrictions, including closing or partially closing restaurants and other foodservice operations, have decreased the demand for our products. The outlook for the spread and eventual containment of COVID-19 remains unpredictable, as does its potential impact on the global economy, restaurant traffic, customer and consumer demand, our supply chain, and availability of key commodities and other necessary services. During these uncertain times, our top priorities are to ensure the health and welfare of our employees, maintain product safety, and continue to support our customers as they work to manage their supply chains and inventories. While the near-term impact of the pandemic on consumer demand and sales volume is likely to be material, we believe we have sufficient liquidity to manage through the uncertainty. See "Liquidity and Capital Resources" in this MD&A for more information.

Operating Results

We have four reportable segments: Global, Foodservice, Retail, and Other. We report product contribution margin by segment. Product contribution margin is the primary measure reported to our chief operating decision maker for

purposes of allocating resources to our segments and assessing their performance. Product contribution margin represents net sales less cost of sales and advertising and promotion expenses. Product contribution margin includes advertising and promotion expenses because the amounts are directly associated with segment performance; it excludes general corporate expenses and interest expense because management believes these amounts are not directly associated with segment performance. For additional information on our reportable segments and product contribution margin, see Note 13, Segments, of the Condensed Notes to Consolidated Financial Statements in "Part I, Item 1. Financial Statements" of this report.

Net Sales

Lamb Weston's net sales for the first quarter of fiscal 2021 were $871.5 million, a decline of $117.5 million, or 12%, compared to the first quarter of fiscal 2020. Price/mix increased 2% due to improved price/mix in the Foodservice and Retail segments. Volume declined 14%, reflecting the decline in demand for frozen potato products outside the home following government-imposed restrictions on restaurants and other foodservice operations to slow the spread of COVID-19. The decline was partially offset by increased sales of frozen potato products for in-home consumption.

Global segment net sales decreased $70.1 million, or 14%, to $447.5 million, compared with $517.6 million in the first quarter of fiscal 2020. Price/mix decreased 1% as a result of negative mix. Volume declined 13%, primarily due to the decline in demand for frozen potato products outside the home as a result of the pandemic's negative impact on restaurant and other foodservice-related traffic in the U.S. and in most of our key international markets.

Foodservice segment net sales declined $68.7 million, or 22%, to $236.7 million, compared with $305.4 million in the first quarter of fiscal 2020. Price/mix increased 6%, reflecting the carryover benefit of pricing actions implemented during fiscal 2020, partially offset by unfavorable mix as sales of *Lamb Weston* branded and premium products softened. Volume decreased 28% due to the decline in demand for frozen potato products outside the home as a result of the pandemic's negative impact on restaurant and non-commercial customers, such as lodging and hospitality, schools and universities, sports and entertainment, and workplace environments.

Retail segment net sales increased $24.6 million, or 19%, to $153.9 million, compared with $129.3 million in the first quarter of fiscal 2020. Volume increased 11% due to increased sales of frozen potato products for in-home consumption following government-imposed stay-at-home orders. Shipments of our premium and mainstream branded

offerings, which have historically comprised approximately 40% of the segment's shipments, were strong, but were partially offset by a decline in private label product shipments, reflecting the loss of certain low-margin private label business beginning in the second quarter of fiscal 2020. Price/mix increased 8%, largely driven by favorable mix from increased sales of branded products.

Net sales in our Other segment declined $3.3 million, or 9%, to $33.4 million, compared with $36.7 million in the first quarter of fiscal 2020, largely due to lower volumes in our vegetable business.

Product Contribution Margin

Lamb Weston's product contribution margin for the first quarter of fiscal 2021 was $212.6 million, a decline of $31.2 million, or 13%, compared to the first quarter of fiscal 2020. The decline primarily related to lower sales due to the pandemic and approximately $16 million of pandemic-related costs, net of CARES Act retention credits and other labor incentives, resulting from lower factory utilization and production inefficiencies, manufacturing and operational disruptions directly attributable to the pandemic, and other supply chain costs discussed above.

Global segment product contribution margin declined $24.9 million, or 24%, to $77.8 million in the first quarter of fiscal 2021. Pandemic-related costs accounted for approximately $9 million of the decline, with the remainder driven by lower sales. Global segment cost of sales was $369.3 million, down 11% compared to the first quarter of fiscal 2020, primarily due to lower sales, partially offset by the pandemic costs cited above. Advertising and promotion expense was lower in the first quarter of fiscal 2021, as compared to prior year period.

Foodservice segment product contribution margin declined $16.7 million, or 16%, to $85.8 million in the first quarter of fiscal 2021. Pandemic-related costs accounted for approximately $4 million of the decline, with the remainder driven by lower sales volume, partially offset by favorable price/mix. Cost of sales was $150.3 million, down 25% compared to the first quarter of fiscal 2020, due to lower sales volumes. Advertising and promotion expense was lower in the first quarter of fiscal 2021, as compared with the prior year period.

Retail segment product contribution margin increased $6.9 million, or 24%, to $35.8 million. Higher sales volumes, favorable mix and a $1.9 million decline in advertising and promotional expenses drove the increase, which was partially offset by approximately $3 million of pandemic-related costs. Cost of sales was $118.1 million, up 20% compared to the first quarter of fiscal 2020, primarily due to higher sales volume.

Other segment product contribution margin was $13.2 million, an increase of $3.5 million as compared with $9.7 million in the first quarter of fiscal 2020. These amounts include a $7.7 million gain related to unrealized mark-to-market adjustments and realized settlements associated with commodity hedging contracts in the first quarter of fiscal 2021, and a $3.1 million gain related to the contracts in the prior year period. Excluding these adjustments, Other segment product contribution margin declined $1.1 million, largely due to higher costs in our vegetable business.

Selling, General and Administrative Expenses

Selling, general and administrative expenses declined $0.5 million, or less than 1%, to $78.1 million in the first quarter of fiscal 2021 compared with the same period in 2020, as cost management efforts and a $3.7 million decline in advertising and promotional expenses offset approximately $4 million of pandemic-related expenses described above, as well as approximately $1 million of non-recurring expenses (primarily consulting expenses) associated with developing and implementing a new enterprise resource planning ("ERP") system.

Interest Expense, Net

Interest expense, net was $30.3 million for the first quarter of fiscal 2021, an increase of $2.1 million compared with the same period in fiscal 2020. The increase in "Interest expense, net" was the result of higher average total debt versus the prior year. For more information on this refinance see "Liquidity and Capital Resources" in this MD&A.

Income Tax Expense

Income tax expense for the first quarter of fiscal 2021 and 2020 was $28.0 million and $36.7 million, respectively. The effective income tax rate (calculated as the ratio of income tax expense to pre-tax income, inclusive of equity method investment earnings) was 23.9% and 24.1% for the first quarter of fiscal 2021 and 2020, respectively, in our Consolidated Statements of Earnings. The effective tax rate varies from the U.S. statutory tax rate of 21% principally due to the impact of U.S. state taxes, foreign taxes, permanent differences, and discrete items.

Equity Method Investment Earnings

We conduct business through unconsolidated joint ventures in Europe, the U.S., and South America and include our share of the earnings based on our economic ownership interest in them. Our share of earnings from our equity method investments was $11.9 million and $10.6 million for the first quarter of fiscal 2021 and 2020, respectively. Equity method investment earnings included a $4.7 million unrealized gain related to mark-to-market adjustments associated with currency and commodity hedging contracts in the first quarter of fiscal 2021, compared to a $1.1 million unrealized gain related to the contracts in the first quarter of fiscal 2020. Excluding the mark-to-market adjustments, earnings from equity method investments declined $2.3 million compared to the prior year period. Pandemic-related manufacturing costs and SG&A expenses accounted for approximately $1 million of the decline, with the remainder largely driven by lower sales following government-imposed restrictions on restaurant and other foodservice operations.

Liquidity and Capital Resources

Sources and Uses of Cash

The current COVID-19 pandemic has disrupted our business and operating results. As a result of the uncertainties caused by the pandemic, we have taken, and are continuing to take, actions to enhance liquidity. We limited discretionary expenses across the Company; implemented a hiring and salary freeze for our U.S. salaried positions; suspended future share repurchases, and received benefits under the CARES Act and other labor incentives. In addition, in September 2020, we amended our credit agreement to increase available borrowings under our revolving credit facility from $500.0 million to $750.0 million and extended the maturity date to September 2023. In connection with the amendment, we used cash on hand to repay the $271.9 million term loan facility due in November 2021. Considering the current environment, with a significant number of employees working remotely, we have also deferred the second phase of our new ERP system implementation. As a result of our actions, our cash and cash equivalents balance was $1,032.5 million and approximately $800 million at August 30, 2020 and at the end of our fiscal month ended September 27, 2020, respectively.

We believe our cash on hand, cash flows from operations and our current credit facilities will be sufficient to satisfy our future working capital requirements, interest payments, capital expenditures, dividends on our common stock, and other financing requirements for the foreseeable future. We continue to evaluate and take action, as necessary, to preserve adequate liquidity and ensure that our business can continue to operate during these uncertain times. If we are unable to generate sufficient cash flows from operations, or are otherwise unable to comply with the terms of our credit facilities, we may be required to seek additional financing alternatives, which may require waivers under our credit agreements governing our senior secured debt and indentures governing our senior notes, in order to generate additional cash. There can be no assurance that we would be able to obtain additional financing or any such waivers on terms acceptable to us or at all. For additional information on our debt, see Note 9, Debt and Financing Obligations, of the Condensed Notes to Consolidated Financial Statements in “Part I, Item 1. Financial Statements” of this report.

Cash Flows

Below is a summary table of our cash flows, followed by a discussion of the sources and uses of cash through operating, investing, and financing activities:

	Thirteen Weeks Ended		
	August 30, 2020	August 25, 2019	Provided by (Used for)
Net cash flows provided by (used for):			
Operating activities	$ 250.6	$ 238.5	$ 12.1
Investing activities	(33.1)	(176.7)	143.6
Financing activities	(550.2)	(54.9)	(495.3)
	(332.7)	6.9	(339.6)
Effect of exchange rate changes on cash and cash equivalents	1.2	(0.1)	1.3
Net increase (decrease) in cash and cash equivalents	$ (331.5)	$ 6.8	$ (338.3)

Operating Activities

In the first quarter of fiscal 2021, cash provided by operating activities increased $12.1 million to $250.6 million, compared with $238.5 million in the same period a year ago. The increase related to $48.9 million of cash provided by favorable changes in working capital, partially offset by a $36.8 million decrease in income from operations, adjusted for non-cash income and expenses. Favorable changes in working capital primarily related to lower sales and therefore, lower receivables in first quarter 2021, compared with the same period in fiscal 2020, and the timing of the collection of accounts receivable. A lower incentive compensation payout in fiscal 2020, relative to fiscal 2019, also contributed to the favorable changes in working capital. These increases in working capital were partially offset by a larger finished goods inventory build in first quarter of fiscal 2021, compared with fiscal 2020, due to the abnormally low finished goods inventories at the end of fiscal 2020, as we balanced production with declining demand resulting from the impact of the COVID-19 pandemic. Lower earnings from operations in first quarter of fiscal 2021 related to government-imposed restrictions on restaurants and other foodservice operations to slow the spread of COVID-19 and approximately $21 million of pandemic-related costs, net of CARES Act retention credits and other labor incentives. See “Operating Results” in this MD&A for more information.

Investing Activities

Investing activities used $33.1 million of cash in the first quarter of fiscal 2021, compared with $176.7 million in the same period in the prior year. The decrease related to our efforts to preserve liquidity and defer strategic capital expenditures. We increased our estimate of fiscal 2021 capital expenditures from $140 million to $180 million, reflecting investments in productivity, optimization and growth capacity projects. These expenditures could increase or decrease as a result of a number of factors, including our financial results, future economic conditions, including the impact of COVID-19, and our regulatory compliance requirements.

Financing Activities

During the first quarter of fiscal 2021, cash used for financing activities increased $495.3 million to $550.2 million, compared with $54.9 million during the same period a year ago. During the first quarter of fiscal 2021, financing activities primarily related to the repayment of $498.1 million of short-term borrowings, the payment of $33.6 million in cash dividends to common stockholders, and $9.2 million of debt and financing obligations repayments. Financing activities also included $9.6 million for the repurchase of 151,151 shares for restricted stock tax withholdings. Given the uncertainty of the COVID-19 pandemic, we have temporarily suspended share repurchases in the near-term to provide us with additional liquidity. In September 2020, we amended our credit agreement to increase available borrowings under our revolving credit facility from $500.0 million to $750.0 million and extended the maturity to September 2023. In addition, we used cash on hand to repay the $271.9 million term loan facility due in November 2021. As of our fiscal month ended September 27, 2020, no borrowings were outstanding under the amended revolving credit facility.

During the first quarter of fiscal 2020, financing activities primarily related to $309.0 million of debt and financing obligation repayments, $299.3 million of net proceeds from the issuance of debt related to our refinancing $300.0 million of the $599.1 million term loan facility outstanding at May 26, 2019, the payment of $29.2 million in cash dividends to common stockholders, $8.3 million of short-term borrowing repayments and a $3.5 million increase in cash used to repurchase 111,721 shares of our common stock, including tax withholdings in connection with vesting of restricted stock.

For more information about our debt, interest rates, maturity dates, and covenants, see Note 9, Debt and Financing Obligations of the Notes to Consolidated Financial Statements in “Part II, Item 8. Financial Statements and Supplementary Data” of the Form 10-K. At August 30, 2020, we were in compliance with the financial covenant ratios and other covenants contained in our credit agreements.

Obligations and Commitments

Except for the $271.9 million repayment in September 2020 of the term loan facility due in 2021, there have been no material changes to the contractual obligations disclosed in “Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Form 10-K.

Reconciliations of Non-GAAP Financial Measures to Reported Amounts

To supplement the financial information included in this report, we have presented EBITDA and EBITDA including unconsolidated joint ventures, each of which is considered a non-GAAP financial measure.

Lamb Weston’s management uses EBITDA and EBITDA including unconsolidated joint ventures to evaluate the Company’s performance. The Company includes these non-GAAP financial measures because management believes they are useful to investors in that they provide for greater transparency with respect to supplemental information used by management in its financial and operational decision making. We believe that the presentation of these non-GAAP financial measures, when used in conjunction with GAAP financial measures, is a useful financial analysis tool that can assist investors in assessing the Company’s operating performance and underlying prospects. These non-GAAP financial measures should be viewed in addition to, and not as alternatives for, financial measures prepared in accordance with GAAP. These non-GAAP financial measures may differ from similarly titled non-GAAP financial measures presented by other companies, and other companies may not define these non-GAAP financial measures the same way. These measures are not a substitute for their comparable GAAP financial measures, such as net income, and there are limitations to using non-GAAP financial measures.

The following table reconciles net income to EBITDA and EBITDA including unconsolidated joint ventures.

	Thirteen Weeks Ended	
	August 30, 2020	August 25, 2019
Net income	$ 89.3	$ 115.7
Equity method investment earnings	(11.9)	(10.6)
Interest expense, net	30.3	28.2
Income tax expense	28.0	36.7
Income from operations	135.7	170.0
Depreciation and amortization	45.6	43.1
EBITDA	181.3	213.1
Unconsolidated Joint Ventures		
Equity method investment earnings	11.9	10.6
Interest expense, income tax expense, and depreciation and amortization included in equity method investment earnings	8.6	9.2
Add: EBITDA from unconsolidated joint ventures	20.5	19.8
EBITDA including unconsolidated joint ventures	$ 201.8	$ 232.9

Off-Balance Sheet Arrangements

There have been no material changes to the off-balance sheet arrangements disclosed in “Management’s Discussion and Analysis of Financial Condition and Results of Operations” included in the Form 10-K.

Critical Accounting Policies and Estimates

A discussion of our critical accounting policies and estimates can be found in "Management's Discussion and Analysis of Financial Condition and Results of Operations" included in the Form 10-K. There were no material changes to these critical accounting estimates during the first quarter of fiscal 2021.

New and Recently Adopted Accounting Pronouncements

For a list of our new and recently adopted accounting pronouncements, see Note 1, Nature of Operations and Summary of Significant Accounting Policies, of the Condensed Notes to Consolidated Financial Statements in “Part I, Item 1. Financial Statements” of this report.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Our operations are exposed to market risks from adverse changes in commodity prices affecting the cost of raw materials and energy, foreign currency exchange rates, and interest rates. In the normal course of business, we periodically enter into derivatives to minimize these risks, but not for trading purposes. The COVID-19 pandemic has resulted in significant volatility and uncertainty in the markets in which we operate. At the time of this filing, we are unable to predict or determine the impacts that the COVID-19 pandemic may have on our exposure to market risk from commodity prices, foreign currency exchange rates and interest rates, among other factors.

Based on our open commodity contract hedge positions as of August 30, 2020, a hypothetical 10 percent decline in market prices applied to the fair value of the instruments would result in a charge to “Cost of sales” of approximately $1.4 million ($1.1 million net of income tax benefits). It should be noted that any change in the fair value of the contracts, real or hypothetical, would be substantially offset by an inverse change in the value of the underlying hedged item.

At August 30, 2020, we had $2,166.0 million of fixed-rate and $882.6 million of variable-rate debt outstanding. We have interest rate risk associated with our variable-rate debt. A one percent increase in interest rates related to variable-rate debt would have resulted in an increase in interest expense and a corresponding decrease in income before taxes of approximately $8.9 million annually ($6.9 million net of income tax benefit).

See Note 9, Debt and Financing Obligations, of the Condensed Notes to Consolidated Financial Statements in “Part I, Item 1. Financial Statements” of this report.

ITEM 4. CONTROLS AND PROCEDURES

Disclosure Controls and Procedures

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, carried out an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures as defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), as of August 30, 2020. Based upon that evaluation, our Chief Executive Officer and Chief Financial Officer, concluded that, as of the end of the period covered by this report, our disclosure controls and procedures were effective to provide reasonable assurance that information required to be disclosed by us in reports we file or submit under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in SEC rules and forms, and is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosures.

Changes in Internal Control over Financial Reporting

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, evaluated any change in our internal control over financial reporting that occurred during the quarter covered by this report and determined that there was no change in our internal control over financial reporting during the quarter covered by this report that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

RESTRICTED STOCK UNIT AGREEMENT (STOCK-SETTLED)
LAMB WESTON HOLDINGS, INC. 2016 STOCK PLAN
(AS AMENDED AND RESTATED AS OF JULY 20, 2017)

Lamb Weston Holdings, Inc., a Delaware corporation (the "Company"), has awarded the Participant, as named in the Notice of Grant (the "Notice"), to which this Restricted Stock Unit Agreement (Stock-Settled) (this "Agreement") is attached, a Restricted Stock Unit Award (the "RSUs") that is subject to the Company's 2016 Stock Plan (the "Plan"), the Notice, and this Agreement, for the number of RSUs indicated in the Notice. In the event of any conflict between the terms in this Agreement and the Plan, the terms of the Plan will control.

1. **Definitions.** Capitalized terms used herein without definition have the meanings set forth in the Plan. The following terms shall have the respective meanings set forth below:

(a) *"Change of Control"* shall mean the occurrence of any of the following events:

(i) Individuals who, as of the effective date of the Plan, constitute the Board (the "*Incumbent Board*") cease for any reason to constitute at least a majority of the Board; provided, however, that any person becoming a member of the Board subsequent to the effective date of the Plan whose election, or nomination for the election by the Company's stockholders, was approved by a vote of at least a majority of the Board members then comprising the Incumbent Board shall be, for purposes of this clause (i), considered as though such person were a member of the Incumbent Board as of the effective date of the Plan;

(ii) Consummation of a reorganization, merger or consolidation, in each case, with respect to which persons who were the stockholders of the Company immediately prior to such reorganization, merger or consolidation do not, immediately thereafter, own more than 50% of the Voting Power of the reorganized, merged or consolidated entity;

(iii) Any person becomes the beneficial owner, directly or indirectly, of securities of the Company (not including in the securities beneficially owned by such person, any securities acquired directly from the Company or its affiliates) representing 30% or more of the Voting Power of the Company's then outstanding securities;

(iv) A liquidation or dissolution of the Company; or

(v) The sale of all or substantially all of the assets of the Company.

(b) *"Continuous Employment*" shall mean the absence of any interruption or termination of employment with the Company and its Subsidiaries and the performance of substantial services. Continuous Employment shall not be considered interrupted or terminated in the case of sick leave, short-term disability (as defined in the Company's sole discretion), military leave or any other leave of absence approved by the Company unless and until there is a Separation from Service (as defined in **Section 1(f)** below).

(c) "*Divestiture*" shall mean a permanent disposition to a person other than the Company of a plant or other facility or property at which the Participant performs a majority of the Participant's services, whether such disposition is effected by means of a sale of assets, a sale of Subsidiary stock or otherwise.

(d) "*Early Retirement*" shall mean a Separation from Service with the Company and its Subsidiaries when the Participant (i) is at least age 55, and (ii) has at least ten years of credited service with the Company and its Subsidiaries.

(e) "*Normal Retirement*" shall mean a Separation from Service with the Company and its Subsidiaries on or after attaining age 65.

(f) "*Separation from Service,*" *"termination of employment" and similar terms* shall mean the date that the Participant incurs a "separation from service" within the meaning of Section 409A of the Code. As used in connection with the definition of "Separation from Service," the term "Company" includes Lamb Weston Holdings, Inc. and any other entity that with Lamb Weston Holdings, Inc. constitutes a controlled group of corporations (as defined in Section 414(b) of the Code), or a group of trades or businesses (whether or not incorporated) under common control (as defined in Section 414(c) of the Code), substituting 25% for the 80% ownership level for purposes of both Sections 414(b) and Section 414(c) of the Code.

(g) "*Specified Employee*" is as defined under Section 409A of the Code and Treasury Regulation Section 1.409A-1(i).

(h) "*Successors*" shall mean the beneficiaries, executors, administrators, heirs, successors and assigns of a person.

2. **Vesting of RSUs**.

(a) **Normal Vesting**. Subject to the Plan and this Agreement, if the Participant has been in Continuous Employment through the Vesting Date as set forth in the Notice, then the RSUs subject to such Vesting Date will become nonforfeitable ("Vest" or similar terms).

(b) **Termination of Employment**. If, prior to the Vesting Date set forth in the Notice, the Participant's employment with the Company and its Subsidiaries shall terminate:

(i) by reason of death, then all unvested RSUs evidenced by this Agreement shall, to the extent such RSUs have not previously been forfeited, become 100% Vested;

(ii) by reason of Normal Retirement occurring on or after the date that is 12 months after the Date of Grant, then all unvested RSUs evidenced by this Agreement shall, to the extent such RSUs have not previously been forfeited, become 100% Vested;

(iii) by reason of Early Retirement or involuntary termination due to disability, position elimination, reduction in force (each as defined in the Company's sole discretion), or Divestiture, in each case, on or after the date that is 12 months after the Date of Grant, the Participant will Vest in a pro rata portion of the RSUs determined by multiplying the number of RSUs evidenced by this Agreement, to the extent not previously Vested or forfeited, by a fraction, the numerator of which is the total number of calendar days during which the Participant was employed by the Company or a Subsidiary during the period beginning on the Date of Grant and ending on the Separation from Service and the denominator of which is the total number of calendar days beginning on the Date of Grant and ending on the Vesting Date, rounded to the nearest whole number of RSUs; and

(iv) for Cause prior to the Vesting Date, then all RSUs, whether Vested or unvested prior to the Vesting Date, shall be immediately forfeited without further consideration to the Participant.

(c) **Accelerated Vesting in Connection with a Change of Control**.

(i) If a Change of Control occurs prior to the Vesting Date, and the Participant has been in Continuous Employment between the Date of Grant and the date of such Change of Control, then all unvested RSUs evidenced by this Agreement shall become 100% Vested, except (A) to the extent such RSUs have previously been forfeited, or (B) to the extent that a Replacement Award is provided to the Participant to replace, continue or adjust the outstanding RSUs (the "Replaced Award"). If the Participant's employment with the Company or a Subsidiary (or any of its or their successors after the Change of Control) (as applicable, the "Successor Company") is terminated by the Participant for Good Reason or by the Successor Company other than for Cause, in each case within a period of two years after the Change of Control but prior to the Vesting Date, to the extent that the Replacement Award has not previously been Vested or forfeited, the Replacement Award will become 100% Vested (and become entitled to settlement as specified in **Section 3(b)(ii)**).

(ii) For purposes of this Agreement, a "Replacement Award" means an award (A) of the same type (*i.e.*, time-based restricted stock units) as the Replaced Award, (B) that has a value at least equal to the value of the Replaced Award, (C) that relates to publicly traded equity securities of the Successor Company in the Change of Control (or another entity that is affiliated with the Successor Company following the Change of Control), (D) the tax consequences of which for such Participant under the Code, if the Participant is subject to U.S. federal income tax under the Code, are not less favorable to the Participant than the tax consequences of the Replaced Award, and (E) the other terms and conditions of which are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the provisions that would apply in the event of a subsequent change of control). A Replacement Award may be granted only to the extent it does not result in the Replaced Award or Replacement Award failing to comply

with or ceasing to be exempt from Section 409A of the Code. Without limiting the generality of the foregoing, the Replacement Award may take the form of a continuation of the Replaced Award if the requirements of the preceding two sentences are satisfied. The determination of whether the conditions of this **Section 2(c)(ii)** are satisfied will be made in good faith by the Committee, as constituted immediately before the Change of Control, in its sole discretion.

(iii) For purposes of this Agreement, "Cause" means: (A) the willful and continued failure by the Participant to substantially perform the Participant's duties with the Successor Company (other than any such failure resulting from termination by the Participant for Good Reason) after a demand for substantial performance is delivered to the Participant that specifically identifies the manner in which the Successor Company believes that the Participant has not substantially performed the Participant's duties, and the Participant has failed to resume substantial performance of the Participant's duties on a continuous basis within five days of receiving such demand; (B) the willful engaging by the Participant in conduct which is demonstrably and materially injurious to the Successor Company, monetarily or otherwise; or (C) the Participant's conviction of, or plea of nolo contendere to, (I) a felony or (II) a misdemeanor which impairs the Participant's ability substantially to perform the Participant's duties with the Successor Company. For the purposes of this definition, no act, or failure to act, on the Participant's part shall be deemed "willful" unless done, or omitted to be done, by the Participant not in good faith and without reasonable belief that the Participant's action or omission was in the best interest of the Successor Company.

(iv) For purposes of this Agreement, "Good Reason" means: (A) any material failure of the Successor Company to comply with and satisfy any of the terms of any employment or change in control (or similar) agreement between the Successor Company and the Participant pursuant to which the Participant provides services to the Successor Company; (B) any significant involuntary reduction of the authority, duties or responsibilities held by the Participant immediately prior to the Change of Control (and, for the avoidance of doubt, involuntary removal of the Participant from an officer position that the Participant holds immediately prior to the Change of Control will not, by itself, constitute a significant involuntary reduction of the authority, duties or responsibilities held by the Participant immediately prior to the Change of Control); (C) any material involuntary reduction in the aggregate target cash remuneration opportunity of the Participant as in effect immediately prior to the Change of Control; or (D) requiring the Participant to become based at any office or location more than 50 miles from the office or location at which the Participant was based immediately prior to such Change of Control, except for travel reasonably required in the performance of the Participant's responsibilities; provided, however, that no termination shall be deemed to be for Good Reason unless (x) the Participant provides the Successor Company with written notice setting forth the specific facts or circumstances constituting Good Reason within ninety days after the initial existence of the occurrence of such facts or circumstances, (y) the Successor Company fails to cure such facts or circumstances within thirty days of its receipt of such written notice, and (z) the Participant actually terminates employment within thirty (30) days following the end of the Successor Company's thirty-day cure period, if such event or circumstance has not been cured.

(v) If a Replacement Award is provided, notwithstanding anything in this Agreement to the contrary, any outstanding RSUs which at the time of the Change of Control are not subject to a "substantial risk of forfeiture" (within the meaning of Section 409A of the Code) will be deemed to be Vested at the time of such Change of Control (and such Vested RSUs shall be settled in accordance with **Section 3(b)(iii)** below).

(d) **Forfeiture of RSUs**. Subject to **Section 2(b)(iv)**, any RSUs that have not Vested pursuant to **Section 2(a)**, **Section 2(b)**, or **Section 2(c)** as of the Vesting Date will be forfeited automatically and without further notice on such date (or earlier if, and on such date that, the Participant ceases to be in Continuous Employment prior to the Vesting Date for any reason other than as described in **Section 2(b)** or **Section 2(c)**).

3. **Settlement of RSUs.**

(a) **Normal**. Subject to **Section 3(b)**, the Company will issue to the Participant one share of Stock on the

Vesting Date for each RSU that is a Vested RSU on such Vesting Date to the extent the RSU has not previously been Vested, forfeited or settled.

(b) **Other Settlement Events**. Notwithstanding **Section 3(a)**, to the extent the RSUs are Vested RSUs on the dates set forth below and to the extent the Vested RSUs have not previously been Vested, forfeited or settled, the Company will settle such Vested RSUs as follows:

(i) **Death**. If there are such Vested RSUs on the Participant's death, within thirty days of the Participant's death, one share of Stock will be issued for each such Vested RSU.

(ii) **Separation from Service**. If there are such Vested RSUs upon the Participant's Separation from Service by reason of involuntary termination due to disability, position elimination, reduction in force or Divestiture pursuant to **Section 2(b)(iii)** hereof, within thirty days of the Participant's Separation from Service, one share of Stock will be issued for each such Vested RSU. If there are such Vested RSUs upon the Participant's Separation from Service by reason of the Participant's Retirement or Early Retirement, the settlement of such Vested RSUs will not be accelerated and one share of Stock will be issued for each such Vested RSU on the Vesting Date, and with respect to Early Retirement, the amount settled on the Vesting Date shall be a pro-rated amount of the originally scheduled installment using the pro-ration factor determined under **Section 2(b)(iii)** hereof. Notwithstanding anything in this Agreement to the contrary, if any Vested RSUs under the immediately preceding sentence are outstanding as of a Change of Control, then such Vested RSUs shall be settled in accordance with **Section 3(b)(iii)** below.

(iii) **Change of Control**. If there are such Vested RSUs upon a Change of Control, one share of Stock will be issued for each such Vested RSU as of the date of the Change of Control; provided, however, that if such Change of Control would not qualify as a permissible date of distribution under Section 409A(a)(2)(A) of the Code, and the regulations thereunder, and where Section 409A of the Code applies to such distribution, the Participant is entitled to receive the corresponding payment on the date that would have otherwise applied pursuant to **Section 3** as though such Change of Control had not occurred.

(c) **Payment of Taxes Upon Settlement.** As a condition of the issuance of shares of Stock upon settlement of RSUs hereunder, the Participant agrees to remit to the Company at the time of settlement any taxes or other amounts required to be withheld by the Company under Federal, State or local law as a result of the settlement of the RSUs. As a condition of the issuance of shares of Stock upon settlement of RSUs hereunder, the Participant agrees that the Company will deduct from the total shares to be issued as a result of the Vesting of the RSUs a sufficient number of shares to satisfy the required statutory withholding amount, which may exceed the minimum statutory tax withholding amount permissible only if it would not cause adverse accounting or tax consequences for the Company or a Subsidiary.

(d) **Specified Employee**. Notwithstanding anything (including any provision of the Agreement or the Plan) to the contrary, if a Participant is a Specified Employee and if the RSUs are subject to Section 409A of the Code, payment to the Participant on account of a Separation from Service shall, to the extent required to comply with Treasury Regulation Section 1.409A-3(i)(2), be made to the Participant on the earlier of (i) the Participant's death or (ii) the first business day (or within 30 days after such first business day) that is more than six months after the date of Separation from Service. Notwithstanding anything contained herein to the contrary, the Participant shall not be considered to have terminated employment with the Company or any Subsidiary for purposes of any payments under this Agreement which are subject to Section 409A of the Code until the Participant has incurred a Separation from Service. In the Company's sole and absolute discretion, interest may be paid due to such delay. Further, any interest will be calculated in the manner determined by the Company in its sole and absolute discretion in a manner that qualifies any interest as reasonable earnings under Section 409A of the Code. Dividend equivalents will not be paid with respect to any dividends that would have been paid during the delay if the Stock had been issued. To the extent required for purposes of Section 409A of the Code, each installment that vests under this Agreement shall be construed as a separate identified payment for purposes of Section 409A of the Code.

4. **Non-Transferability of RSUs.** The RSUs may not be assigned, transferred, pledged or hypothecated in any manner (otherwise than by will or the laws of descent or distribution) nor may the Participant enter into any transaction for the purpose of, or which has the effect of, reducing the market risk of holding the RSUs by using puts,

calls or similar financial techniques. The RSUs subject to this Agreement may be settled during the lifetime of the Participant only with the Participant or the Participant's guardian or legal representative. Upon any attempt to transfer, assign, pledge, hypothecate, or otherwise dispose of the RSUs or any related rights to the RSUs that is contrary to the provisions of this Agreement or the Plan, or upon the levy of any attachment or similar process upon the RSUs or such rights, the RSUs and such rights shall immediately become null and void. The terms of this Agreement, shall be binding upon the Successors of the Participant.

5. **Stock Subject to the RSUs; Compliance with Law.** The Company will not be required to issue or deliver any shares of Stock or any certificate or certificates for shares of Stock with respect to the Participant's RSUs until such shares have been listed (or authorized for listing upon official notice of issuance) upon each stock exchange on which outstanding shares of the same class are then listed and until the Company has taken such steps as may, in the opinion of counsel for the Company, be required by law and applicable regulations, including the rules and regulations of the Securities and Exchange Commission, and state securities laws and regulations, in connection with the issuance of such shares, and the listing of such shares on each such exchange.

6. **Rights as Stockholder.** The Participant or his/her Successors shall have no rights as stockholder with respect to any RSUs or underlying shares of Stock covered by this Agreement until the Participant or his/her Successors shall have become the beneficial owner of such shares, and, except as provided in **Section 7** and **Section 8** of this Agreement, no adjustment shall be made for dividends or distributions or other rights in respect of such shares for which the record date is prior to the date on which the Participant or his/her Successors shall have become the beneficial owner thereof.

7. **Dividend Equivalents.** From and after the Date of Grant and until the earlier of (a) the time when the RSUs become Vested and are settled in accordance with **Section 2** and **Section 3** of this Agreement or (b) the time when the Participant's right to receive shares of Stock in settlement of the RSUs is forfeited in accordance with **Section 2** of this Agreement, on the date that the Company pays a cash dividend (if any) to holders of Stock generally, the Participant shall be entitled to a number of additional RSUs determined by dividing (i) the product of (x) the dollar amount of the cash dividend paid per share of Stock on such date and (y) the total number of RSUs (including dividend equivalents paid thereon) previously credited to the Participant as of such date, by (ii) the Fair Market Value of the Stock on such date. Such dividend equivalents (if any) shall be subject to the same terms and conditions and shall be paid, in the aggregate rounded down to the nearest whole number, or forfeited in the same manner and at the same time as the RSUs to which the dividend equivalents were credited.

8. **Adjustments Upon Changes in Capitalization; Change of Control.** In the event of any change in corporate capitalization, corporate transaction, sale or other disposition of assets or similar corporate transaction or event involving the Company as described in Section 5.5 of the Plan, the Committee shall make equitable adjustment as it determines necessary and appropriate in the number and type of shares subject to this Agreement; provided, however, that no fractional share shall be issued upon subsequent settlement of the RSUs. No adjustment shall be made if such adjustment is prohibited by Section 5.5 of the Plan (relating to Section 409A of the Code).

9. **Notices.** Each notice relating to this Agreement shall be deemed to have been given on the date it is received. Each notice to the Company shall be addressed to its principal Office in Eagle, Idaho, Attention: Compensation. Each notice to the Participant or any other person or persons entitled to shares issuable upon settlement of the RSUs shall be addressed to the Participant's address and may be in written or electronic form. Anyone to whom a notice may be given under this Agreement may designate a new address by giving notice to the effect.

10. **Benefits of Agreement.** This Agreement shall inure to the benefit of and be binding upon each successor of the Company. All obligations imposed upon the Participant and all rights granted to the Company under this Agreement shall be binding upon the Participant's Successors. This Agreement shall be the sole and exclusive source of any and all rights which the Participant or his/her Successors may have in respect to the Plan or this Agreement.

11. **No Right to Continued Employment**. Nothing in this Agreement shall interfere with or affect the rights of the Company or the Participant under any employment agreement or confer upon the Participant any right to continued employment with the Company or a Subsidiary.

12. **Resolution of Disputes.** Any dispute or disagreement which should arise under or as a result of or in any way related to the interpretation, construction or application of this Agreement will be determined by the Committee.

Any determination made hereunder shall be final, binding and conclusive for all purposes. This Agreement and the legal relations between the parties hereto shall be governed by and construed in accordance with the laws of the state of Delaware.

13. **Section 409A of the Code.** To the extent applicable, this Agreement is intended to comply with Section 409A of the Code and any regulations or notices provided thereunder. This Agreement and the Plan shall be interpreted in a manner consistent with this intent. The Company reserves the unilateral right to amend this Agreement on written notice to the Participant in order to comply with Section 409A of the Code. The Company makes no representation that any or all of the payments described in this Agreement will be exempt from or comply with Section 409A of the Code and makes no undertaking to preclude Section 409A of the Code from applying to any such payment. None of the Company or any Subsidiary, or any of its or their contractors, agents and employees, nor the Board or any member of the Board, shall be liable for any consequences of any failure to follow the requirements of Section 409A of the Code or any guidance or regulations thereunder.

14. **Clawback Policy and Stock Ownership Guidelines.** Shares of Stock issued upon settlement of the RSUs shall be subject to any stock ownership guidelines of the Company applicable to the Participant. This Agreement and the RSUs are subject to the Company's clawback policy applicable to the Participant as may be in effect from time to time, including, as applicable, being subject to recoupment or clawback by the Company on the terms and conditions as provided for under Section 10D of the Act and any applicable rules or regulations promulgated by the Securities and Exchange Commission or any national securities exchange or national securities association on which the Stock may be traded. Notwithstanding anything in this Agreement to the contrary, nothing in this Agreement prevents the Participant from providing, without prior notice to the Company, information to governmental authorities regarding possible legal violations or otherwise testifying or participating in any investigation or proceeding by any governmental authorities regarding possible legal violations, and for purpose of clarity the Participant is not prohibited from providing information voluntarily to the Securities and Exchange Commission pursuant to Section 21F of the Securities Exchange Act of 1934.

15. **Amendment.** Any amendment to the Plan shall be deemed to be an amendment to this Agreement to the extent that the amendment is applicable hereto.

16. **Severability**. If any provision of this Agreement or the application of any provision hereof to any person or circumstances is held invalid, unenforceable or otherwise illegal, the remainder of this Agreement and the application of such provision to any other person or circumstances shall not be affected, and the provisions so held to be invalid, unenforceable or otherwise illegal shall be reformed to the extent (and only to the extent) necessary to make it enforceable, valid and legal.

17. **Electronic Delivery**. The Company may, in its sole discretion, deliver any documents related to the RSUs and the Participant's participation in the Plan, or future awards that may be granted under the Plan, by electronic means or request the Participant's consent to participate in the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and, if requested, agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or another third party designated by the Company.

18. **Confidentiality**. It is a condition to the Participant's receipt of the RSUs that the Participant execute and agree to the terms of the Company or a Subsidiary's current and applicable Confidentiality Agreement (the "Confidentiality Agreement"). By electronically accepting this Agreement, the Participant acknowledges that the Participant has either already entered into such Confidentiality Agreement with the Company or a Subsidiary as of the date of acceptance or will enter into such agreement within 30 days of the Participant's receipt of this grant of RSUs. If such execution is required and the Participant does not sign and return the Confidentiality Agreement to **[_____]** within 30 days of the Participant's receipt of this grant of RSUs, this grant of RSUs and any rights to the RSUs will terminate and become null and void. The Participant further acknowledges that as consideration for the Participant's agreement to the terms of the Confidentiality Agreement, the Company is providing the Participant with the opportunity to participate in this grant of RSUs under the Plan and receive the RSUs evidenced by this Agreement. The Participant understands that this acknowledgment shall be deemed a part of the Confidentiality Agreement and is to be interpreted in a manner consistent with its terms. Furthermore, notwithstanding anything herein to the contrary, if the Participant breaches any of the Participant's obligations under the Confidentiality Agreement, the Participant shall forfeit all RSUs and related dividend equivalents evidenced by this Agreement that have not Vested as of the date the Company becomes aware of such breach.

PERFORMANCE SHARE AGREEMENT
LAMB WESTON HOLDINGS, INC. 2016 STOCK PLAN
(AS AMENDED AND RESTATED AS OF JULY 20, 2017)

Lamb Weston Holdings, Inc., a Delaware corporation (the "*Company*"), has awarded the Participant, as named in the Notice of Grant (the "*Notice*"), to which this Performance Share Agreement (this "*Agreement*") is attached, a Performance Share Award (the "*Performance Shares*") that is subject to the Company's 2016 Stock Plan (the "*Plan*"), the Notice, and this Agreement, for the number of Performance Shares indicated in the Notice. In the event of any conflict between the terms in this Agreement and the Plan, the terms of the Plan will control.

1. **Definitions.** Capitalized terms used herein without definition have the meanings set forth in the Plan. The following terms shall have the respective meanings set forth below:

(a) *"Change of Control"* shall mean the occurrence of any of the following events:

(i) Individuals who, as of the effective date of the Plan, constitute the Board (the "*Incumbent Board*") cease for any reason to constitute at least a majority of the Board; provided, however, that any person becoming a member of the Board subsequent to the effective date of the Plan whose election, or nomination for the election by the Company's stockholders, was approved by a vote of at least a majority of the Board members then comprising the Incumbent Board shall be, for purposes of this clause (i), considered as though such person were a member of the Incumbent Board as of the effective date of the Plan;

(ii) Consummation of a reorganization, merger or consolidation, in each case, with respect to which persons who were the stockholders of the Company immediately prior to such reorganization, merger or consolidation do not, immediately thereafter, own more than 50% of the Voting Power of the reorganized, merged or consolidated entity;

(iii) Any person becomes the beneficial owner, directly or indirectly, of securities of the Company (not including in the securities beneficially owned by such person, any securities acquired directly from the Company or its affiliates) representing 30% or more of the Voting Power of the Company's then outstanding securities;

(iv) A liquidation or dissolution of the Company; or

(v) The sale of all or substantially all of the assets of the Company.

(b) *"Continuous Employment*" shall mean the absence of any interruption or termination of employment with the Company and its Subsidiaries and the performance of substantial services. Continuous Employment shall not be considered interrupted or terminated in the case of sick leave, short-term disability (as defined in the Company's sole discretion), military leave or any other leave of absence approved by the Company unless and until there is a Separation from Service (as defined in **Section 1(f)** below).

(c) "*Divestiture*" shall mean a permanent disposition to a person other than the Company of a plant or other facility or property at which the Participant performs a majority of the Participant's services, whether such disposition is effected by means of a sale of assets, a sale of Subsidiary stock or otherwise.

(d) "*Early Retirement*" shall mean Separation from Service with the Company and its Subsidiaries when the Participant (i) is at least age 55, and (ii) has at least ten years of credited service with the Company and its Subsidiaries.

(e) "*Normal Retirement*" shall mean a Separation from Service with the Company and its Subsidiaries on or after attaining age 65.

(f) "*Performance Period*" shall mean the three-year period commencing on _____ and ending on _____, which is comprised of the following three annual sub-periods (or "*Sub-Periods*"): _____through _____, _____through _____, and _____through _____.

(g) "*Performance Targets*" shall mean the applicable performance goals set forth on Exhibit A.

(h) "*Separation from Service,*" *"termination of employment" and similar terms* shall mean the date that the Participant incurs a "separation from service" within the meaning of Section 409A of the Code. As used in connection with the definition of "Separation from Service," the term "Company" includes Lamb Weston Holdings, Inc. and any other entity that, with Lamb Weston Holdings, Inc., constitutes a controlled group of corporations (as defined in Section 414(b) of the Code), or a group of trades or businesses (whether or not incorporated) under common control (as defined in Section 414(c) of the Code), substituting 25% for the 80% ownership level for purposes of both Sections 414(b) and Section 414(c) of the Code.

(i) "*Specified Employee*" is as defined under Section 409A of the Code and Treasury Regulation Section 1.409A-1(i).

(j) "*Successors*" shall mean the beneficiaries, executors, administrators, heirs, successors and assigns of a person.

2. **Vesting of Performance Shares**.

(a) **Normal Vesting**. Subject to the terms and conditions of the Notice, the Plan, this Agreement and Exhibit A to this Agreement, the Performance Shares covered by this Agreement shall become nonforfeitable ("*Vest*" or similar terms) to the extent that:

(i) Except as provided in **Section 2(b)** or **Section 2(c)** below, the Participant remains Continuously Employed by the Company or a Subsidiary through the Vesting Date; and

(ii) The applicable Performance Targets set forth on Exhibit A for the Performance Period are achieved, which level of achievement must be certified by the Committee in writing within 90 days after the end of the Performance Period (the "*Committee Determination Date*"). For the avoidance of doubt, references in this Agreement to determinations and/or payments to be made after or following "the end of the Performance Period" shall be applied only to the Performance Period collectively comprised of all three Sub-Periods (and not to any Sub-Period individually).

Any Performance Shares that do not satisfy both **Section 2(a)(i)** and **Section 2(a)(ii)** will be forfeited.

(b) **Termination of Employment**. If, prior to the Vesting Date, the Participant's employment with the Company and its Subsidiaries shall terminate:

(i) by reason of Normal Retirement occurring on or after the date that is 12 months after the Date of Approval or death, the Performance Shares shall remain subject to performance through the end of the Performance Period and shall become Vested (based upon actual achievement of the applicable Performance Targets set forth in Exhibit A) in accordance with the terms and conditions of this **Section 2** as if the Participant had remained Continuously Employed from the Date of Grant until the Vesting Date (or, if earlier, the occurrence of a Change of Control to the extent a Replacement Award is not provided).

(ii) by reason of Early Retirement or involuntary termination due to disability, position elimination, reduction in force (each as defined in the Company's sole discretion), or Divestiture, in each case, occurring on or after the date that is 12 months after the Date of Approval, the Performance Shares shall remain subject to performance through the end of the Performance Period and shall become Vested (based upon actual achievement of the applicable Performance Targets set forth in Exhibit A) in accordance with the terms and conditions of this **Section 2** on a pro-rata basis in an amount equal to the product of (A) the number of Performance Shares in which the Participant would have Vested in accordance with the terms and conditions of this **Section 2** if the Participant had remained Continuously Employed from the Date of Grant until the Vesting Date (or, if earlier, the occurrence of a Change of Control to the extent a Replacement Award is not provided), multiplied by (B) a fraction, the numerator of which is the total number of calendar days during which the Participant was employed by the Company or a Subsidiary during the period beginning on _____ and ending on the Separation from Service and the denominator of which is the total number of calendar days beginning on _____ and ending on _____, rounded to the nearest whole number of Performance Shares.

(iii) for Cause or any reason other than as described in **Sections 2(b)(i)** or **2(b)(ii)** prior to the Vesting Date, then all Performance Shares, whether Vested or unvested prior to the Vesting Date, shall be immediately forfeited without further consideration to the Participant.

For the avoidance of doubt, any Vested Performance Shares pursuant to **Sections 2(b)(i)** or **2(b)(ii)** will be settled pursuant to **Section 3(a)** hereof.

(c) **Accelerated Vesting in Connection with a Change of Control**.

(i) If a Change of Control occurs prior to the end of the Performance Period, and the Participant has been in Continuous Employment between the Date of Grant and the date of such Change of Control, then the Participant shall Vest in a number of Performance Shares equal to the greater of (1) the number of Performance Shares in which the Participant would Vest based on actual performance through the most recent date prior to the Change of Control for which achievement of Performance Targets can reasonably be determined, as certified by the Committee as constituted immediately prior to the Change of Control and (2) the target number of Performance Shares subject to this Agreement, rounded to the nearest whole number of Performance Shares, except to the extent that (I) such Performance Shares have previously been forfeited, or (II) a Replacement Award is provided to the Participant to replace, continue or adjust the outstanding Performance Shares (the "*Replaced Award*").

(ii) If a Change of Control occurs after the end of the Performance Period but before the Committee Determination Date, then all earned Performance Shares will become 100% Vested, except to the extent that (I) such Performance Shares have previously been forfeited, or (II) a Replacement Award is provided to the Participant to replace, continue or adjust the outstanding Performance Shares.

(iii) If, within a period of two years following a Change of Control, the Participant's employment with the Company, a Subsidiary or any of its or their successors after the Change of Control (as applicable, the "*Successor Company*") is terminated by the Participant for Good Reason or by the Successor Company other than for Cause prior to the Vesting Date, to the extent that the Replacement Award has not previously been Vested or forfeited, the Replacement Award will become 100% Vested (and become entitled to settlement as specified in **Section 3(b)(i)**).

(iv) For purposes of this Agreement, a "*Replacement Award*" means an award (A) of the same type as the Replaced Award (*i.e.*, restricted stock or restricted stock units) but with any remaining performance conditions of the Replaced Award deemed satisfied at the greater of (i) the actual level of performance as of the Change of Control, if reasonably measurable, and (ii) the target level of performance, in each case without proration, and subject to continued service through the Vesting Date (B) that has a value at least equal to the value of the Replaced Award, including at the deemed level of performance as determined in clause (A) above, as applicable, (C) that relates to publicly traded equity securities of the Successor Company in the Change of Control (or another entity that is affiliated with the Successor Company following the Change of Control), (D) the tax consequences of which for such Participant under the Code, if the Participant is subject to U.S. federal income tax under the Code, are not less favorable to the Participant than the tax consequences of the Replaced Award, and (E) the other terms and conditions of which are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the provisions that would apply in the event of a subsequent change of control). A Replacement Award may be granted only to the extent it does not result in the Replaced Award or Replacement Award failing to comply with or ceasing to be exempt from Section 409A of the Code. Without limiting the generality of the foregoing, the Replacement Award may take the form of a continuation of the Replaced Award if the requirements of the preceding two sentences are satisfied. The determination of whether the conditions of this **Section 2(c)(iv)** are satisfied will be made in good faith by the Committee, as constituted immediately before the Change of Control, in its sole discretion.

(v) For purposes of this Agreement, "*Cause*" means: (A) the willful and continued failure by the Participant to substantially perform the Participant's duties with the Successor Company (other than any such failure resulting from termination by the Participant for Good Reason) after a demand for substantial performance is delivered to the Participant that specifically identifies

the manner in which the Successor Company believes that the Participant has not substantially performed the Participant's duties, and the Participant has failed to resume substantial performance of the Participant's duties on a continuous basis within five days of receiving such demand; (B) the willful engaging by the Participant in conduct which is demonstrably and materially injurious to the Successor Company, monetarily or otherwise; or (C) the Participant's conviction of, or plea of nolo contendere to, (I) a felony or (II) a misdemeanor which impairs the Participant's ability substantially to perform the Participant's duties with the Successor Company. For the purposes of this definition, no act, or failure to act, on the Participant's part shall be deemed "willful" unless done, or omitted to be done, by the Participant not in good faith and without reasonable belief that the Participant's action or omission was in the best interest of the Successor Company.

(vi) For purposes of this Agreement, "*Good Reason*" means: (A) any material failure of the Successor Company to comply with and satisfy any of the terms of any employment or change in control (or similar) agreement between the Successor Company and the Participant pursuant to which the Participant provides services to the Successor Company; (B) any significant involuntary reduction of the authority, duties or responsibilities held by the Participant immediately prior to the Change of Control (and, for the avoidance of doubt, involuntary removal of the Participant from an officer position that the Participant holds immediately prior to the Change of Control will not, by itself, constitute a significant involuntary reduction of the authority, duties or responsibilities held by the Participant immediately prior to the Change of Control); (C) any material involuntary reduction in the aggregate target cash remuneration opportunity of the Participant as in effect immediately prior to the Change of Control; or (D) requiring the Participant to become based at any office or location more than 50 miles from the office or location at which the Participant was based immediately prior to such Change of Control, except for travel reasonably required in the performance of the Participant's responsibilities; provided, however, that no termination shall be deemed to be for Good Reason unless (x) the Participant provides the Successor Company with written notice setting forth the specific facts or circumstances constituting Good Reason within ninety days after the initial existence of the occurrence of such facts or circumstances, (y) the Successor Company fails to cure such facts or circumstances within thirty days of its receipt of such written notice, and (z) the Participant actually terminates employment within thirty days following the end of the Successor Company's thirty-day cure period, if such event or circumstance has not been cured.

(vii) If a Replacement Award is provided, notwithstanding anything in this Agreement to the contrary, any outstanding Performance Shares which at the time of the Change of Control are not subject to a "substantial risk of forfeiture" (within the meaning of Section 409A of the Code) will be deemed to be Vested at the time of such Change of Control (and such Vested Performance Shares shall be settled in accordance with **Section 3(b)(i)** below).

(d) **Forfeiture of Performance Shares**. Subject to **Section 2(b)(iii)**, any Performance Shares that have not Vested pursuant to **Section 2(a)**, **Section 2(b)**, or **Section 2(c)** will be forfeited automatically and without further notice (including if the Participant ceases to be in Continuous Employment prior to the Vesting Date for any reason other than as described in **Section 2(b)** or **Section 2(c)**).

3. **Settlement of Performance Shares.**

(a) **Normal**. Subject to **Section 3(b)**, the Company will issue to the Participant one share of Stock for each earned Performance Share as soon as practicable following the Committee Determination Date, but no later than the 15th day of the third month of the calendar year following the calendar year in which the Performance Shares become vested (the "*Payment Date*").

(b) **Other Settlement Events**. Notwithstanding **Section 3(a)**, to the extent the Performance Shares are Vested Performance Shares on the dates set forth below and to the extent the Vested Performance Shares have not previously been Vested, forfeited or settled, the Company will settle such Vested Performance Shares as follows:

(i) **Separation from Service**. If there are such Vested Performance Shares upon the Participant's Separation from Service pursuant to **Section 2(c)(iii)** hereof, within thirty days of

the Participant's Separation from Service, one share of Stock will be issued for each such Vested Performance Share.

(ii) **Change of Control**. If there are such Vested Performance Shares upon a Change of Control, one share of Stock will be issued for each such Vested Performance Share as of the date of the Change of Control; provided, however, that if such Change of Control would not qualify as a permissible date of distribution under Section 409A(a)(2)(A) of the Code, and the regulations thereunder, and where Section 409A of the Code applies to such distribution, the Participant is entitled to receive the corresponding payment on the date that would have otherwise applied pursuant to **Section 3** as though such Change of Control had not occurred.

(c) **Payment of Taxes Upon Settlement.** As a condition of the issuance of shares of Stock upon settlement of Performance Shares hereunder, the Participant agrees to remit to the Company at the time of settlement any taxes or other amounts required to be withheld by the Company under Federal, State or local law as a result of the settlement of the Performance Shares. As a condition of the issuance of shares of Stock upon settlement of Performance Shares hereunder, the Participant agrees that the Company will deduct from the total shares to be issued as a result of the Vesting of the Performance Shares a sufficient number of shares to satisfy the required statutory withholding amount, which may exceed the minimum statutory tax withholding amount only if it would not cause adverse accounting or tax consequences for the Company or a Subsidiary.

(d) **Specified Employee**. Notwithstanding anything (including any provision of the Agreement or the Plan) to the contrary, if a Participant is a Specified Employee and if the Performance Shares are subject to Section 409A of the Code, payment to the Participant on account of a Separation from Service shall, to the extent required to comply with Treasury Regulation Section 1.409A-3(i)(2), be made to the Participant on the earlier of (i) the Participant's death or (ii) the first business day (or within 30 days after such first business day) that is more than six months after the date of Separation from Service. Notwithstanding anything contained herein to the contrary, the Participant shall not be considered to have terminated employment with the Company or any Subsidiary for purposes of any payments under this Agreement which are subject to Section 409A of the Code until the Participant has incurred a Separation from Service. In the Company's sole and absolute discretion, interest may be paid due to such delay. Further, any interest will be calculated in the manner determined by the Company in its sole and absolute discretion in a manner that qualifies any interest as reasonable earnings under Section 409A of the Code. Dividend equivalents will not be paid with respect to any dividends that would have been paid during the delay if the Stock had been issued. To the extent required for purposes of Section 409A of the Code, each installment that vests under this Agreement shall be construed as a separate identified payment for purposes of Section 409A of the Code.

4. **Non-Transferability of Performance Shares.** The Performance Shares may not be assigned, transferred, pledged or hypothecated in any manner (otherwise than by will or the laws of descent or distribution) nor may the Participant enter into any transaction for the purpose of, or which has the effect of, reducing the market risk of holding the Performance Shares by using puts, calls or similar financial techniques. The Performance Shares subject to this Agreement may be settled during the lifetime of the Participant only with the Participant or the Participant's guardian or legal representative. Upon any attempt to transfer, assign, pledge, hypothecate, or otherwise dispose of the Performance Shares or any related rights to the Performance Shares that is contrary to the provisions of this Agreement or the Plan, or upon the levy of any attachment or similar process upon the Performance Shares or such rights, the Performance Shares and such rights shall immediately become null and void. The terms of this Agreement shall be binding upon the Successors of the Participant.

5. **Stock Subject to the Performance Shares; Compliance with Law.** The Company will not be required to issue or deliver any shares of Stock or any certificate or certificates for shares of Stock with respect to the Participant's Performance Shares until such shares have been listed (or authorized for listing upon official notice of issuance) upon each stock exchange on which outstanding shares of the same class are then listed and until the Company has taken such steps as may, in the opinion of counsel for the Company, be required by law and applicable regulations, including the rules and regulations of the Securities and Exchange Commission, and state securities laws and regulations, in connection with the issuance of such shares, and the listing of such shares on each such exchange.

6. **Rights as Stockholder.** The Participant or his/her Successors shall have no rights as stockholder with respect to any Performance Shares or underlying shares covered by this Agreement until the Participant or his/her

Successors shall have become the beneficial owner of such shares on the Payment Date.

7. **Dividend Equivalents.** Upon the payment of earned Performance Shares as of the Payment Date, the Participant shall receive additional shares of Stock equal in value to the accrued dividend equivalents. The amount of dividend equivalents for each Performance Share earned shall equal the dividends paid on one share of Stock for each dividend whose record date occurs during the period between the Date of Grant and the Payment Date.

8. **Adjustments Upon Changes in Capitalization; Change of Control.** In the event of any change in corporate capitalization, corporate transaction, sale or other disposition of assets or similar corporate transaction or event involving the Company as described in Section 5.5 of the Plan, the Committee shall make equitable adjustment as it determines necessary and appropriate in the number and type of shares subject to this Agreement; provided, however, that no fractional share shall be issued upon subsequent settlement of the Performance Shares. No adjustment shall be made if such adjustment is prohibited by Section 5.5 of the Plan (relating to Section 409A of the Code).

9. **Notices.** Each notice relating to this Agreement shall be deemed to have been given on the date it is received. Each notice to the Company shall be addressed to its principal Office in Eagle, Idaho, Attention: Compensation. Each notice to the Participant or any other person or persons entitled to shares issuable upon settlement of the Performance Shares shall be addressed to the Participant's address and may be in written or electronic form. Anyone to whom a notice may be given under this Agreement may designate a new address by giving notice to the effect.

10. **Benefits of Agreement.** This Agreement shall inure to the benefit of and be binding upon each successor of the Company. All obligations imposed upon the Participant and all rights granted to the Company under this Agreement shall be binding upon the Participant's Successors. This Agreement shall be the sole and exclusive source of any and all rights which the Participant or his/her Successors may have in respect to the Plan or this Agreement.

11. **No Right to Continued Employment**. Nothing in this Agreement shall interfere with or affect the rights of the Company or the Participant under any employment agreement or confer upon the Participant any right to continued employment with the Company or a Subsidiary.

12. **Resolution of Disputes.** Any dispute or disagreement which should arise under or as a result of or in any way related to the interpretation, construction or application of this Agreement will be determined by the Committee. Any determination made hereunder shall be final, binding and conclusive for all purposes. This Agreement and the legal relations between the parties hereto shall be governed by and construed in accordance with the laws of the state of Delaware.

13. **Section 409A of the Code.** To the extent applicable, this Agreement is intended to comply with Section 409A of the Code and any regulations or notices provided thereunder. This Agreement and the Plan shall be interpreted in a manner consistent with this intent. The Company reserves the unilateral right to amend this Agreement on written notice to the Participant in order to comply with Section 409A of the Code. The Company makes no representation that any or all of the payments described in this Agreement will be exempt from or comply with Section 409A of the Code and makes no undertaking to preclude Section 409A of the Code from applying to any such payment. None of the Company or any Subsidiary, or any of its or their contractors, agents and employees, nor the Board or any member of the Board, shall be liable for any consequences of any failure to follow the requirements of Section 409A of the Code or any guidance or regulations thereunder.

14. **Clawback Policy and Stock Ownership Guidelines**. Shares of Stock issued upon settlement of the Performance Shares shall be subject to any stock ownership guidelines of the Company applicable to the Participant. This Agreement and the Performance Shares are subject to the Company's clawback policy as may be in effect from time to time, including, as applicable, being subject to recoupment or clawback by the Company on the terms and conditions as provided for under Section 10D of the Act and any applicable rules or regulations hereinafter promulgated by the Securities and Exchange Commission or any national securities exchange or national securities association on which the Stock may be traded. Notwithstanding anything in this Agreement to the contrary, nothing in this Agreement prevents the Participant from providing, without prior notice to the Company, information to governmental authorities regarding possible legal violations or otherwise testifying or participating in any investigation or proceeding by any governmental authorities regarding possible legal violations, and for purpose of clarity the Participant is not prohibited from providing information voluntarily

to the Securities and Exchange Commission pursuant to Section 21F of the Securities Exchange Act of 1934.

15. **Amendment.** Any amendment to the Plan shall be deemed to be an amendment to this Agreement to the extent that the amendment is applicable hereto.

16. **Severability**. If any provision of this Agreement or the application of any provision hereof to any person or circumstances is held invalid, unenforceable or otherwise illegal, the remainder of this Agreement and the application of such provision to any other person or circumstances shall not be affected, and the provisions so held to be invalid, unenforceable or otherwise illegal shall be reformed to the extent (and only to the extent) necessary to make it enforceable, valid and legal.

17. **Electronic Delivery**. The Company may, in its sole discretion, deliver any documents related to the Performance Shares and the Participant's participation in the Plan, or future awards that may be granted under the Plan, by electronic means or request the Participant's consent to participate in the Plan by electronic means. The Participant hereby consents to receive such documents by electronic delivery and, if requested, agrees to participate in the Plan through an on-line or electronic system established and maintained by the Company or another third party designated by the Company.

18. **Confidentiality**. It is a condition to the Participant's receipt of the Performance Shares that the Participant execute and agree to the terms of the Company or a Subsidiary's current and applicable Confidentiality Agreement (the "Confidentiality Agreement"). By electronically accepting this Agreement, the Participant acknowledges that the Participant has either already entered into such Confidentiality Agreement with the Company or a Subsidiary as of the date of acceptance or will enter into such agreement within 30 days of the Participant's receipt of this grant of Performance Shares. If such execution is required and the Participant does not sign and return the Confidentiality Agreement to **[_____]** within 30 days of the Participant's receipt of this grant of Performance Shares, this grant of Performance Shares and any rights to the Performance Shares will terminate and become null and void. The Participant further acknowledges that as consideration for the Participant's agreement to the terms of the Confidentiality Agreement, the Company is providing the Participant with the opportunity to participate in this grant of Performance Shares under the Plan and receive the Performance Shares evidenced by this Agreement. The Participant understands that this acknowledgment shall be deemed a part of the Confidentiality Agreement and is to be interpreted in a manner consistent with its terms. Furthermore, notwithstanding anything herein to the contrary, if the Participant breaches any of the Participant's obligations under the Confidentiality Agreement, the Participant shall forfeit all Performance Shares and related dividend equivalents evidenced by this Agreement that have not Vested as of the date the Company becomes aware of such breach.
