

May 07, 2025

Heslton will lead the company's global technology strategy and will serve as a critical point of contact between all areas of the company and its technology execution.

"Ben brings a strong track record of technology leadership and a pragmatic, solutions-driven mindset that makes him a tremendous addition to our executive team," said Mike Smith, president and chief executive officer of Lamb Weston. "His broad industry experience and strategic vision will help us accelerate digital innovation and elevate our global technology capabilities, ultimately driving greater value across our business."

"I'm honored to step into the role of chief information officer at Lamb Weston," said Ben Heselton. "I look forward to partnering with the Global Technology Services team and the business units to leverage technology in driving operational excellence, innovation, and I
